- (a) The company may issue preference shares including preference shares which are, or at the option of the company or holder are, liable to be redeemed or convertible into ordinary shares (provided that, if at the relevant time ordinary shares are Stapled to Attached Securities, the ordinary shares into which conversion is to occur must also be so Stapled).
- (b) Each preference share confers on the holder a right to receive a preferential dividend, in priority to the payment of any dividend on the ordinary shares, at the rate and on the basis decided by the Board under the terms of issue.

2.6 Alteration of share capital

This means that the things the company must not do include the following:
 - (1) any consolidation or subdivision of its share capital unless there occurs a contemporaneous consolidation or subdivision of the Corresponding number of each Attached Security; and

- (b) The provisions of this constitution relating to general meetings apply, with necessary changes, to separate class meetings as if they were general meetings.
- (c) The rights conferred on the holders of any class of shares are to be taken as not having been varied by the creation or issue of further shares ranking equally with them, unless the terms of issue provide otherwise.

2.9 Joint holders of shares

Where 2 or more persons are registered as the holders of a share, they hold it as joint tenants with rights of survivorship, on the following conditions:

- (a) they are liable individually as well as jointly for all payments, including calls, in respect of the share;

- (c) any one of them may give effective receipts for any dividend, bonus, interest or other distribution or payment in respect of the share; and
- (d) except where persons are jointly entitled to a share because of a Transmission Event, or where required by the Listing Rules or the ASX Settlement Operating Rules, the company may, but is not required to, register more than 3 persons as joint holders of the share.

2.10 Equitable and other claims

The company may treat the registered holder of a share as the absolute owner of that share and need not:

- (a) recognise a person as holding a share on trust, even if the company has notice of a trust; or
- (b) recognise, or be bound by, any equitable, contingent, future or partial claim to or interest in a share by any other person, except an absolute right of ownership in the registered holder, even if the company has notice of that claim or interest.

- (b) if the restricted securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the restricted securities are to be kept on the company's issuer sponsored subregister and are to have a holding lock applied for the duration of the escrow period applicable to those securities;
- (c) the company will refuse to acknowledge any disposal (including, without limitation, to register any transfer) of restricted securities during the escrow period applicable to those securities except as permitted by the Listing Rules or the Exchange;
- (d) a holder of restricted securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or the Exchange; and
- (e) if a holder of restricted securities breaches a restriction deed or a provision of this constitution restricting a disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues.

3 Issue of options

3.1 Issue of options

Options may be issued, allotted or granted by the Board. The Board may issue or otherwise dispose of options by those persons, including members, directors or employees of the company, as determined by the Board.

3.2 Effect of Stapling

- (a) On and from the relevant Stapling Date and prior to the relevant Unstapling Date, no options may be issued in respect of unissued shares (where issued shares in that class form part of Stapled Securities) unless there is a contemporaneous and corresponding issue of the same number of options over the Corresponding Number of unissued Attached Securities on the basis that the options in respect of unissued shares are to be Stapled to the options over the Corresponding Number of Attached Securities.
- (b) On and from the relevant Stapling Date and prior to the relevant Unstapling Date, an option in respect of unissued shares (where issued shares in that class form part of Stapled Securities) may only be exercised if at the same time as shares are acquired under the option the same person contemporaneously acquires the Corresponding Number of each Attached Security on exercise of the option over the Corresponding Number of Attached Securities to which the option in respect of unissued shares is Stapled.
- (c) In all other respects, the same rules as apply to shares under this constitution apply to shares to be issued on the exercise of an option.

4 Calls, forfeiture, indemnities, lien and surrender

4.1 Calls

- (a) Subject to the terms on which any shares are issued and the rules in this constitution relating to Stapling (including rules 2.3 and 4.2), the Board may:
- (1) make calls on the members for any amount unpaid on their shares which is not by the terms of issue of those shares made payable at fixed times; and
 - (2) on the issue of shares, differentiate between members as to the amount of calls to be paid and the time for payment.
- (b) The Board may require a call to be paid by instalments.
- (c) The Board must send members notice of a call at least 14 days (or such longer period required by the Listing Rules) before the amount called is due, specifying the amount of the call, the time for payment and the manner in which payment must be made.
- (d) Each member must pay the amount called to the company by the time and in the manner specified for payment.
- (e) A call is taken to have been made when the resolution of the Board authorising the call is passed.
- (f) The Board may revoke a call or extend the time for payment.
- (g) A call is valid even if a member for any reason does not receive notice of the call.
- (h) If an amount called on a share is not paid in full by the time specified for payment, the person who owes the amount must pay:
- (1) interest on the unpaid part of the amount from the date payment is due to the date payment is made, at a rate determined under rule 4.10; and
 - (2) if the share was issued after the date this constitution is adopted, any costs, expenses or damages the company incurs due to the failure to pay or late payment.
- (i) Any amount unpaid on a share that, by the terms of issue of the share, becomes payable on issue or at a fixed date:
- (1) is treated for the purposes of this constitution as if that amount were payable under a call duly made and notified; and
 - (2) must be paid on the date on which it is payable under the terms of issue of the share.
- (j) The Board may, to the extent the law permits, waive or compromise all or part of any payment due to the company under the terms of issue of a share or under this rule 4.1.

4.2 Effect of Stapling

On and from the relevant Stapling Date and prior to the relevant Unstapling Date, any call in respect of a share which forms part of a Stapled Security must, if the relevant Attached Security is also partly paid, be in respect of such amount in respect of the share, and such amount (if any) in respect of the relevant Attached Security, as the Board determines.

4.3 Proceedings to recover calls

- (a) In a proceeding to recover a call, or an amount payable due to the failure to pay or late payment of a call, proof that:
- (1) the name of the defendant is entered in the register as the holder or one of the holders of the share on which the call is claimed;
 - (2) the resolution making the call is recorded in the minute book; and
 - (3) notice of the call was given to the defendant complying with this constitution,
- is conclusive evidence of the obligation to pay the call and it is not necessary to prove the appointment of the Board who made the call or any other matter.
- (b) In rule 4.3(a), **defendant** includes a person against whom the company alleges a set-off or counterclaim, and a **proceeding** to recover a call or an amount is to be interpreted accordingly.

4.4 Payments in advance of calls

- (a) The Board may accept from a member the whole or a part of the amount unpaid on a share even though no part of that amount has been called.
- (b) The Board may authorise payment by the company of interest on an amount accepted under rule 4.4(a), until the amount becomes payable, at a rate agreed between the Board and the member paying the amount.
- (c) On and from the relevant Stapling Date and prior to the relevant Unstapling Date, any advance in respect of a share which forms part of a Stapled Security must, if the relevant Attached Security is also partly paid, be in respect of such amount in respect of the share, and such amount (if any) in respect of the relevant Attached Security, as the Board determines.
- (d) The Board may repay to a member any amount accepted under rule 4.4(a).

4.5 Forfeiting partly paid shares

- (a) If a member fails to pay the whole of a call or an instalment of a call by the time specified for payment, the Board may serve a notice on that member:
- (1) requiring payment of the unpaid part of the call or instalment, together with any interest that has accrued and all costs, expenses or damages that the company has incurred due to the failure to pay;
 - (2) specifying a further time (at least 14 days after the date of the notice) by which, and the manner in which, the amount payable under rule 4.5(a)(1) must be paid; and
 - (3) stating that if the whole of the amount payable under rule 4.5(a)(1) is not paid by the time and in the manner specified, the shares on which the call was made will be liable to be forfeited.
- (b) If a member does not comply with a notice served under rule 4.5(a), the Board may by resolution forfeit any share concerning which the notice was given at any time after the day named in the notice and before the payment required by the notice is made.

- (c) A forfeiture under rule 4.5(b) includes a forfeiture of all dividends, interest and other amounts payable by the company on the forfeited share and not actually paid before the forfeiture.
- (d) On and from the relevant Stapling Date and prior to the relevant Unstapling Date:
- (1) if a member fails to pay the whole of a call or an instalment of a call on a Corresponding Number of each Attached Security forming part of a Stapled Security when it falls due; and
 - (2) the payment default giving rise to such forfeiture procedures has not been remedied,
- the Board may apply rules 4.5 to 4.12 in respect of the share in order to ensure that the share and the Corresponding Number of each Attached Security are simultaneously subject to forfeiture pursuant to substantially identical procedures.
- (e) For the avoidance of doubt, on and from the relevant Stapling Date and prior to the relevant Unstapling Date, any forfeiture of a share which forms part of a Stapled Security must be on the basis that the Corresponding Number of each Attached Security to which the share is Stapled is also forfeited at the same time and in the same manner.
- (f) Where a share has been forfeited:
- (1) notice of the resolution must be given to the member in whose name the share stood immediately before the forfeiture; and
 - (2) an entry of the forfeiture, with the date, must be made in the register of members.
- (g) Failure to give the notice or to make the entry required under rule 4.5(e) does not invalidate the forfeiture.
- (h) A forfeited share becomes the property of the company and the Board may sell, reissue or otherwise dispose of the share as it thinks fit and, in the case of reissue or other disposal, with or without crediting as paid up any amount paid on the share by any former holder.
- (i) On and from the relevant Stapling Date and prior to the relevant Unstapling Date, the Board must ensure that any sale, reissue or other disposal of a share which forms part of a Stapled Security under rule 4.5(h) is held contemporaneously with any sale, reissue or disposal of the Corresponding Number of each Attached Security to which the share is Stapled.
- (j) A person whose shares have been forfeited ceases to be a member as to the forfeited shares, but must, unless the Board decides otherwise, pay to the company:
- (1) all calls, instalments, interest, costs, expenses and damages owing on the shares at the time of the forfeiture; and
 - (2) interest on the unpaid part of the amount payable under rule 4.5(j)(1), from the date of the forfeiture to the date of payment, at a rate determined under rule 4.10.
- (k) The forfeiture of a share extinguishes all interest in, and all claims and demands against the company relating to, the forfeited share and, subject to rule 4.9(i), all other rights attached to the share.
- (l) The Board may:
- (1) exempt a share from all or part of this rule 4.5;

- (2) waive or compromise all or part of any payment due to the company under this rule 4.5; and
- (3) before a forfeited share has been sold, reissued or otherwise disposed of, cancel the forfeiture on the conditions it decides.

4.6 Members' indemnity

- (a) If the company becomes liable for any reason under a law to make a payment:
 - (1) in respect of shares held solely or jointly by a member;
 - (2) in respect of a transfer or transmission of shares by a member;
 - (3) in respect of dividends, bonuses or other amounts due or payable or which may become due and payable to a member; or
 - (4) in any other way for, on account of or relating to a member,
 rules 4.6(b) and 4.6(c) apply, in addition to any right or remedy the company may otherwise have.
- (b) The member (or if the member is dead, the member's legal personal representative) must:
 - (1) fully indemnify the company against that liability;
 - (2) on demand reimburse the company for any payment made; and
 - (3) pay interest on the unpaid part of the amount payable to the company under rule 4.6(b)(2), from the date of demand until the date the company is reimbursed in full for that payment, at a rate determined under rule 4.10.
- (c) The Board may:
 - (1) exempt a share from all or part of this rule 4.6; and
 - (2) waive or compromise all or part of any payment due to the company under this rule 4.6.

4.7 Lien on shares

- (a) The company has a first lien on:
 - (1) each partly paid share for all unpaid calls and instalments due on that share; and
 - (2) each share for any amounts the company is required by law to pay and has paid in respect of that share.
 In each case the lien extends to reasonable interest and expenses incurred because the amount is not paid.
- (b) The company's lien on a share extends to all dividends payable on the share and to the proceeds of sale of the share.
- (c) The Board may sell a share on which the company has a lien as it thinks fit where:
 - (1) an amount for which a lien exists under this rule 4.7 is presently payable; and

- (2) the company has given the registered holder a written notice, at least 14 days before the date of the sale, stating and demanding payment of that amount.
- (d) On and from the relevant Stapling Date and prior to the relevant Unstapling Date, any sale under rule 4.7(c) of shares which form part of Stapled Securities must also be in respect of the Corresponding Number of each Attached Security to which the shares are Stapled.
- (e) The Board may do anything necessary or desirable under the ASX Settlement Operating Rules to protect any lien, charge or other right to which the company is entitled under this constitution or a law.
- (f) The proceeds of the sale must be received by the company and the money remaining after deducting the expenses of sale must be applied in payment of that part of the amount in respect of which the lien exists as is presently payable. The residue, if any, must (subject to any amounts due in respect of the Corresponding Number of each Attached Security and to a like lien for sums not presently payable as existed upon the shares before the sale) be paid to the person entitled to the shares at the date of the sale.
- (g) When the company registers a transfer of shares on which the company has a lien without giving the transferee notice of its claim, the company's lien is released so far as it relates to amounts owing by the transferor or any predecessor in title.
- (h) The Board may:
 - (1) exempt a share from all or part of this rule 4.7; and
 - (2) waive or compromise all or part of any payment due to the company under this rule 4.7.

4.8 Surrender of shares

- (a) The Board may accept a surrender of a share by way of compromise of a claim.
- (b) Any share so surrendered may be sold, reissued or otherwise disposed of in the same manner as a forfeited share.
- (c) On and from the relevant Stapling Date and prior to the relevant Unstapling Date, any such surrender, sale, reissue or other disposal of a share which forms part of a Stapled Security must be only on the basis that the Corresponding Number of each Attached Security to which the share is Stapled will be similarly and contemporaneously surrendered, sold, reissued or otherwise disposed of.

4.9 Sale, reissue or other disposal of shares by the company

- (a) A reference in this rule 4.9 to a sale of a share by the company is a reference to any sale, reissue or other disposal of a share under rule 4.5(h), rule 4.7(c) or rule 6.4.
- (b) When the company sells a share, the Board may:
 - (1) receive the purchase money or consideration given for the share;
 - (2) effect a transfer of the share or execute or appoint a person to execute, on behalf of the former holder, a transfer of the share; and
 - (3) register as the holder of the share the person to whom the share is sold.

- (c) A person to whom the company sells shares need not take any steps to investigate the regularity or validity of the sale, or to see how the purchase money or consideration on the sale is applied. That person's title to the shares is not affected by any irregularity by the company in relation to the sale. A sale of the share by the company is valid even if a Transmission Event occurs to the member before the sale.
- (d) The only remedy of a person who suffers a loss because of a sale of a share by the company is a claim for damages against the company.
- (e) The proceeds of a sale of shares by the company must be applied in paying:
 - (1) first, the expenses of the sale;
 - (2) secondly, all amounts payable (whether presently or not) by the former holder to the company,
 and any balance must be paid to the former holder on the former holder delivering to the company proof of title to the shares acceptable to the Board.
- (f) The proceeds of sale arising from a notice under rule 6.4(b) must not be applied in payment of the expenses of the sale and must be paid to the former holder on the former holder delivering to the company proof of title to the shares acceptable to the Board.
- (g) Until the proceeds of a sale of a share sold by the company are claimed or otherwise disposed of according to law, the Board may invest or use the proceeds in any other way for the benefit of the company.
- (h) The company is not required to pay interest on money payable to a former holder under this rule 4.9.
- (i) On completion of a sale, reissue or other disposal of a share under rule 4.5(h), the rights which attach to the share which were extinguished under rule 4.5(k) revive.
- (j) A written statement by a director or secretary of the company that a share in the company has been:
 - (1) duly forfeited under rule 4.5(b);
 - (2) duly sold, reissued or otherwise disposed of under rule 4.5(h); or
 - (3) duly sold under rule 4.7(c) or rule 6.4,
 on a date stated in the statement is conclusive evidence of the facts stated as against all persons claiming to be entitled to the share, and of the right of the company, to forfeit, sell, reissue or otherwise dispose of the share (which, on and from the relevant Stapling Date and prior to the relevant Unstapling Date, includes the Corresponding Number of Attached Securities Stapled to the share).

4.10 Interest payable by member

- (a) For the purposes of rules 4.1(h)(1), 4.5(j)(2) and 4.6(b)(3), the rate of interest payable to the company is:
 - (1) if the Board has fixed a rate, that rate; or
 - (2) in any other case, a rate per annum 2% higher than the rate prescribed in respect of unpaid judgments in the Supreme Court of the state or territory in which the company is registered.
- (b) Interest accrues daily and may be capitalised monthly or at such other intervals the Board decides.

4.11 Deemed full payment

A share which forms part of a Stapled Security will not be deemed to be fully paid until the company has received all amounts (if any) outstanding in relation to the Corresponding Number of each Attached Security held by the member and forming part of the Stapled Security.

4.12 Distributions to holders of forfeited shares

Distributions under rule 5:

- (a) to which the holder of a forfeited share is entitled; and
- (b) which have not been paid to the holder of a share before forfeiture,

must be applied in accordance with rule 4.9 as if they formed part of the proceeds of sale of a forfeited share.

5 Distributions

5.1 Dividends

- (a) The Board may pay any dividends that, in its judgment, the financial position of the company justifies.
- (b) The Board may, but need not, declare a dividend that it determines to pay as referred to in rule 5.1(a). If the Board declares a dividend, the dividend becomes payable as a debt due in accordance with the terms of the declaration. Unless a dividend has been declared, the Board may rescind a decision to pay a dividend if it decides, before the payment date, that the company's financial position no longer justifies the payment or that it is otherwise in the best interests of the company that the dividend decision be rescinded.
- (c) The Board may pay any dividend required to be paid under the terms of issue of a share.
- (d) Paying a dividend does not require confirmation at a general meeting.
- (e) Subject to any rights or restrictions attached to any shares or class of shares:
 - (1) all dividends must be paid equally on all shares, except that a partly paid share confers an entitlement only to the proportion of the dividend which the amount paid (not credited) on the share is of the total amounts paid and payable (excluding amounts credited);
 - (2) for the purposes of rule 5.1(e)(1), unless the Board decides otherwise, an amount paid on a share in advance of a call is to be taken as not having been paid until it becomes payable; and
 - (3) interest is not payable by the company on any dividend.
- (f) Subject to the ASX Settlement Operating Rules, the Board may fix a record date for a dividend, with or without suspending the registration of transfers from that date under rule 6.3.
- (g) Subject to the ASX Settlement Operating Rules, a dividend in respect of a share must be paid to the person who is registered, or entitled under rule 6.1(c) to be registered, as the holder of the share:

- (1) where the Board has fixed a record date in respect of the dividend, on that date; or
 - (2) where the Board has not fixed a record date in respect of that dividend, on the date fixed for payment of the dividend,
- and a transfer of a share that is not registered, or left with the company for registration under rule 6.1(b), on or before that date is not effective, as against the company, to pass any right to the dividend.
- (h) When resolving to pay a dividend, the Board may direct payment of the dividend from any available source permitted by law, including:
 - (1) wholly or partly by the distribution of specific assets, including paid-up shares or other securities of the company or of another body corporate, either generally or to specific members; and
 - (2) unless prevented by the Listing Rules, to particular members wholly or partly out of any particular fund or reserve or out of profits derived from any particular source, and to the other members wholly or partly out of any other particular fund or reserve or out of profits derived from any other particular source.
 - (i) Subject to the ASX Settlement Operating Rules, where a person is entitled to a share because of a Transmission Event, the Board may, but need not, retain any dividends payable on that share until that person becomes registered as the holder of that share or transfers it.
 - (j) The Board may retain from any dividend payable to a member any amount presently payable by the member to the company and apply the amount retained to the amount owing.
 - (k) The Board may decide the method of payment of any dividend or other amount in respect of a share. Different methods of payment may apply to different members or groups of members (such as overseas members). Without limiting any other method of payment which the company may adopt, payment in respect of a share may be made:
 - (1) by such electronic or other means approved by the Board directly to an account (of a type approved by the Board) nominated in writing by the member or the joint holders; or
 - (2) by cheque sent to the address of the member shown in the register of members or, in the case of joint holders, to the address shown in the register of members of any of the joint holders, or to such other address as the member or any of the joint holders in writing direct.
 - (l) A cheque sent under rule 5.1(k):
 - (1) may be made payable to the bearer or to the order of the member to whom it is sent or any other person the member directs; and
 - (2) is sent at the member's risk.
 - (m) If the Board decides that payments will be made by electronic transfer into an account (of a type approved by the Board) nominated by a member, but no such account is nominated by the member or an electronic transfer into a nominated account is rejected or refunded, the company may credit the amount payable to an account of the company to be held until the member nominates a valid account.
 - (n) Where a member does not have a registered address or the company believes that a member is not known at the member's registered address, the company

may credit an amount payable in respect of the member's shares to an account of the company to be held until the member claims the amount payable or nominates a valid account.

- (o) An amount credited to an account under rules 5.1(m) or 5.1(n) is to be treated as having been paid to the member at the time it is credited to that account. The company will not be a trustee of the money and no interest will accrue on the money. The money may be used for the benefit of the company until claimed, reinvested under rule 5.1(p) or disposed of in accordance with the laws relating to unclaimed monies.
- (p) If a cheque for an amount payable under rule 5.1(k) is not presented for payment for at least 11 calendar months after issue or an amount is held in an account under rules 5.1(m) or 5.1(n) for at least 11 calendar months, the Board may reinvest the amount, after deducting reasonable expenses, into shares in the company on behalf of, and in the name of, the member concerned and may stop payment on the cheque. The shares may be acquired on market or by way of new issue at a price the Board accepts is market price at the time. Any residual sum which arises from the reinvestment may be carried forward or donated to charity on behalf of the member, as the Board decides. The company's liability to provide the relevant amount is discharged by an application under this rule 5.1(p). The Board may do anything necessary or desirable (including executing any document) on behalf of the member to effect the application of an amount under this rule 5.1(p). The Board may determine other rules to regulate the operation of this rule 5.1(p) and may delegate its power under this rule to any person.
- (q) On and from the relevant Stapling Date and prior to the relevant Unstapling Date, the Board must not issue any shares which form part of Stapled Securities pursuant to rule 5.1(p) unless an offer is made at the same time to issue and allot the Corresponding Number of Attached Securities to which those shares are to be Stapled. Shares cannot be issued in breach of this rule 5.1(q), and the proceeds received in consideration for any purported issue in breach of this rule will be immediately returned to the subscribers.

5.2 Capitalising profits

- (a) Subject to:
 - (1) the Listing Rules;
 - (2) any rights or restrictions attached to any shares or class of shares; and
 - (3) any special resolution of the company;
 the Board may capitalise and distribute to members, in the same proportions as the members are entitled to receive dividends, any amount:
 - (4) forming part of the undivided profits of the company;
 - (5) representing profits arising from an ascertained accretion to capital or a revaluation of the assets of the company;
 - (6) arising from the realisation of any assets of the company; or
 - (7) otherwise available for distribution as a dividend.
- (b) The Board may resolve that all or any part of the capitalised amount is to be applied:
 - (1) in paying up in full, at an issue price decided by the Board, any unissued shares in or other securities of the company;

- (2) in paying up any amounts unpaid on shares or other securities held by the members;
- (3) partly as specified in rule 5.2(b)(1) and partly as specified in rule 5.2(b)(2); or
- (4) any other method permitted by law.

The members entitled to share in the distribution must accept that application in full satisfaction of their interest in the capitalised amount.

- (c) Rules 5.1(e), 5.1(f) and 5.1(g) apply, so far as they can and with any necessary changes, to capitalising an amount under this rule 5.2 as if references in those rules to:
 - (1) a dividend were references to capitalising an amount; and
 - (2) a record date were references to the date the Board resolves to capitalise the amount under this rule 5.2.
- (d) Where the terms of options (existing at the date the resolution referred to in rule 5.2(b) is passed) entitle the holder to an issue of bonus shares under this rule 5.2, the Board may, in determining the number of unissued shares to be so issued, allow in an appropriate manner for the future issue of bonus shares to options holders but cannot issue shares which form part of Stapled Securities under this rule 5.2 unless a Corresponding Number of each Attached Security can also be issued in accordance with this constitution.

5.3 Ancillary powers

- (a) To give effect to any resolution to reduce the capital of the company, to satisfy a dividend as set out in rule 5.1(h)(1) or to capitalise any amount under rule 5.2, the Board may settle as it thinks expedient any difficulty that arises in making the distribution or capitalisation and, in particular:
 - (1) make cash payments in cases where members are entitled to fractions of shares or other securities;
 - (2) decide that amounts or fractions of less than a particular value decided by the Board may be disregarded to adjust the rights of all parties;
 - (3) fix the value for distribution of any specific assets;
 - (4) pay cash or issue shares or other securities to any member to adjust the rights of all parties;
 - (5) vest any of those specific assets, cash, shares or other securities in a trustee on trust for the persons entitled to the distribution or capitalised amount; and
 - (6) authorise any person to make, on behalf of all the members entitled to any specific assets, cash, shares or other securities as a result of the distribution or capitalisation, an agreement with the company or another person which provides, as appropriate, for the distribution or issue to them of shares or other securities credited as fully paid up or for payment by the company on their behalf of the amounts or any part of the amounts remaining unpaid on their existing shares or other securities by applying their respective proportions of the amount resolved to be distributed or capitalised.
- (b) Any agreement made under an authority referred to in rule 5.3(a)(6) is effective and binds all members concerned.

- (c) If a distribution, transfer or issue of specific assets, shares or securities to a particular member or members is, in the Board's discretion, considered impracticable or would give rise to parcels of shares or other securities that do not constitute a marketable parcel, the Board may make a cash payment to those members or allocate the assets, shares or securities to a trustee to be sold on behalf of, and for the benefit of, those members, instead of making the distribution, transfer or issue to those members. Any proceeds receivable by members under this rule 5.3(c) will be net of expenses incurred by the company and trustee in selling the relevant assets, shares or other securities.
- (d) If the company distributes to members (either generally or to specific members) securities in the company or in another body corporate or trust (whether as a dividend or otherwise and whether or not for value), each of those members appoints the company as his or her agent to do anything needed to give effect to that distribution, including agreeing to become a member of that other body corporate.

5.4 Reserves

- (a) The Board may set aside out of the company's profits any reserves or provisions it decides.
- (b) The Board may appropriate to the company's profits any amount previously set aside as a reserve or provision.
- (c) Setting aside an amount as a reserve or provision does not require the Board to keep the amount separate from the company's other assets or prevent the amount being used in the company's business or being invested as the Board decides.

5.5 Carrying forward profits

The Board may carry forward any part of the profits remaining that they consider should not be distributed as dividends or capitalised, without transferring those profits to a reserve or provision.

6 Transfer and transmission of shares

6.1 Transferring shares

- (a) Subject to this constitution (including the Stapling rules under rule 16 and Schedule 1) and to any restrictions attached to a member's shares, a member may transfer any of the member's shares by:
 - (1) a Proper ASTC Transfer; or
 - (2) a written transfer in any usual form or in any other form approved by the Board.
- (b) A transfer referred to in rule 6.1(a)(2) must be:
 - (1) signed by or on behalf of the transferor and, if required by the company, the transferee;
 - (2) if required by law, duly stamped; and

- (3) left for registration at the company's registered office, or at any other place the Board decides, with such evidence the Board requires to prove the transferor's title or right to the shares and the transferee's right to be registered as the owner of the shares.
- (c) Subject to rules 6.2(a) and 6.3, where the company receives a transfer complying with rule 6.1, the company must register the transferee named in the transfer as the holder of the shares to which it relates.
- (d) A transferor of shares remains the holder of the shares until a Proper ASTC Transfer has been effected or the transferee's name is entered in the register of members as the holder of the shares.
- (e) The company must not charge a fee for registering a transfer of shares unless:
 - (1) the company is not listed on the Exchange; or
 - (2) the fee is permitted by the Listing Rules.
- (f) The company (or the company's securities registry) may put in place, and require compliance with, reasonable processes and procedures in connection with determining the authenticity of an instrument of transfer, notwithstanding that this may prevent, delay or interfere with the registration of the relevant instrument of transfer.
- (g) The company may retain a registered transfer for any period the Board decides.
- (h) The Board may do anything that is necessary or desirable for the company to participate in any computerised, electronic or other system for facilitating the transfer of shares or operation of the company's registers that may be owned, operated or sponsored by the Exchange or a related body corporate of the Exchange.
- (i) The Board may, to the extent the law permits, waive any of the requirements of this rule 6.1 and prescribe alternative requirements instead, to give effect to rule 6.1(h) or for another purpose.

6.2 Power to decline to register transfers or transmissions

- (a) The Board may decline to register, or prevent registration of, a transfer or transmission of shares or apply a holding lock to prevent a transfer or transmission in accordance with the Act or the Listing Rules where:
 - (1) the transfer or transmission does not comply with the Stapling rules in rule 16 (where relevant) or Schedule 1;
 - (2) the transfer or transmission is not in registrable form;
 - (3) the company has a lien on any of the shares transferred or transmitted;
 - (4) registration of the transfer or transmission may breach a law of Australia;
 - (5) the transfer or transmission is paper-based and registration of the transfer or transmission will result in a holding which, at the time the transfer is lodged, is less than a marketable parcel;
 - (6) the transfer or transmission is not permitted under the terms of an employee share plan; or
 - (7) the company is otherwise permitted or required to do so under the Listing Rules or, except for a Proper ASTC Transfer, under the terms of issue of the shares.

- (b) If the Board declines to register a transfer or transmission, the company must give notice of the refusal as required by the Act and the Listing Rules. Failure to give that notice will not invalidate the decision of the Board to decline to register the transfer or transmission.
- (c) The Board may delegate its authority under this rule 6.2 to any person.

6.3 Power to suspend registration of transfers

The Board may suspend the registration of transfers at any time, and for any periods, permitted by the ASX Settlement Operating Rules that it decides.

6.4 Selling non marketable parcels

- (a) The Board may sell shares that constitute less than a marketable parcel by following the procedures in this rule 6.4.
- (b) The Board may send a written notice to a member who holds less than a marketable parcel of shares in a class of shares of the company, on a date decided by the Board, which:
 - (1) explains the effect of the notice under this rule 6.4; and
 - (2) advises the holder that he or she may choose to be exempt from the provisions of this rule 6.4. A form of election for that purpose must be sent with the notice.
- (c) If, before 5.00pm (Sydney time) on a date specified in the notice which is no earlier than 6 weeks after the notice is sent:
 - (1) the company has not received a notice from the member exempting them from this rule 6.4; and
 - (2) the member has not increased his or her shareholding to a marketable parcel,

the member is taken to have irrevocably appointed the company as his or her agent to do anything in rule 6.4(e).
- (d) In addition to initiating a sale by sending a notice under rule 6.4(b), the Board may also initiate a sale if a member holds less than a marketable parcel at the time that the transfer document was initiated or, in the case of a paper-based transfer document, was lodged with the company. In that case:
 - (1) the member is taken to have irrevocably appointed the company as his or her agent to do anything in rule 6.4(e); and
 - (2) if the holding was created after the adoption of this rule, the Board may remove or change the member's rights to vote or receive dividends in respect of those shares. Any dividends withheld must be sent to the former holder after the sale when the former holder delivers to the company such proof of title as the Board accepts.
- (e) The company may:
 - (1) sell the shares constituting less than a marketable parcel as soon as practicable;
 - (2) deal with the proceeds of sale under rule 4.9(e) and
 - (3) receive any disclosure document, including a financial services guide, as agent for the member.

- (f) The costs and expenses of any sale of shares arising from a notice under rule 6.4(b) (including brokerage and stamp duty) are payable by the purchaser or by the company.
- (g) A notice under rule 6.4(b) may be given to a member only once in a 12 month period and may not be given during the offer period of a takeover bid for the company.
- (h) If a takeover bid is announced after a notice under rule 6.4(b) is given but before an agreement is entered into for the sale of shares, this rule ceases to operate for those shares. However, despite rule 6.4(g), a new notice under rule 6.4(b) may be given after the offer period of the takeover bid closes.
- (i) The Board may, before a sale is effected under this rule 6.4, revoke a notice given or suspend or terminate the operation of this rule either generally or in specific cases.
- (j) If a member is registered in respect of more than one parcel of shares, the Board may treat the member as a separate member in respect of each of those parcels so that this rule 6.4 will operate as if each parcel was held by different persons.
- (k) Where a share forms part of a Stapled Security, the company may only sell a share under this rule 6.4 if the Corresponding Number of Attached Securities to which those shares are Stapled are the subject of a contemporaneous sale (and the relevant members hereby agree, by virtue of this provision, that such Attached Securities may be so sold on their behalf).

6.5 Transmission of shares

- (a) Subject to rule 6.5(c), where a member dies, the only persons the company will recognise as having any title to the member's shares or any benefits accruing on those shares are:
 - (1) where the deceased was a sole holder, the legal personal representative of the deceased; and
 - (2) where the deceased was a joint holder, the survivor or survivors.
- (b) Rule 6.5(a) does not release the estate of a deceased member from any liability on a share, whether that share was held by the deceased solely or jointly with other persons.
- (c) The Board may register a transfer of shares signed by a member before a Transmission Event even though the company has notice of the Transmission Event.
- (d) A person who becomes entitled to a share because of a Transmission Event may, on producing such evidence as the Board requires to prove that person's entitlement to the share, choose:
 - (1) to be registered as the holder of the share by signing and giving the company a written notice stating that choice; or
 - (2) to nominate some other person to be registered as the transferee of the share by executing or effecting in some other way a transfer of the share to that other person.
- (e) On and from the Stapling Date and prior to the Unstapling Date, any transmission and registration must be on the basis that the person must also be registered as the holder of the Corresponding Number of Attached Securities to which his or her ordinary shares are Stapled at the same time and in the same manner.

- (f) The provisions of this constitution concerning the right to transfer shares and the registration of transfers of shares apply, so far as they can and with any necessary changes, to a notice or transfer under rule 6.5(d) as if the relevant Transmission Event had not occurred and the notice or transfer were executed or effected by the registered holder of the share.
- (g) Where 2 or more persons are jointly entitled to a share because of a Transmission Event they will, on being registered as the holders of the share, be taken to hold the share as joint tenants and rule 2.9 will apply to them.

8 General meetings

8.1 Calling general meetings

- (a) A general meeting may only be called:
 - (1) by a Board resolution; or
 - (2) as otherwise provided in the Act.
- (b) The Board may, by notice to the Exchange, change the venue for, postpone or cancel a general meeting, but:
 - (1) a meeting that is called in accordance with a members' requisition under the Act; and
 - (2) any other meeting that is not called by a Board resolution,

may not be postponed or cancelled without the prior written consent of the persons who called or requisitioned the meeting.

8.2 Notice of general meetings

- (a) Notice of a general meeting must be given to each person who at the time of giving the notice:
 - (1) is a member, director or auditor of the company; or
 - (2) is entitled to a share because of a Transmission Event and has satisfied the Board of this.
- (b) The content of a notice of a general meeting called by the Board is to be decided by the Board, but it must state the general nature of the business to be transacted at the meeting and any other matters required by the Act.
- (c) Unless the Act provides otherwise:
 - (1) no business may be transacted at a general meeting unless the general nature of the business is stated in the notice calling the meeting; and
 - (2) except with the approval of the Board or the chairperson, no person may move any amendment to a proposed resolution or to a document that relates to such a resolution.
- (d) A person may waive notice of any general meeting by written notice to the company.
- (e) Failure to give a member or any other person notice of a general meeting or a proxy form, does not invalidate anything done or any resolution passed at the general meeting if:
 - (1) the failure occurred by accident or inadvertent error; or
 - (2) before or after the meeting, the person notifies the company of the person's agreement to that thing or resolution.
- (f) A person's attendance at a general meeting waives any objection that person may have to:
 - (1) a failure to give notice, or the giving of a defective notice, of the meeting unless the person at the beginning of the meeting objects to the holding of the meeting; and
 - (2) the consideration of a particular matter at the meeting which is not within the business referred to in the notice of the meeting, unless the person objects to considering the matter when it is presented.

8.3 Admission to general meetings

- (a) The chairperson of a general meeting may take any action he or she considers appropriate for the safety of persons attending the meeting and the orderly conduct of the meeting and may refuse admission to, or require to leave and remain out of, the meeting any person:

 - (2) in possession of a placard or banner;

- (6) who behaves or threatens to behave or who the chairperson has reasonable grounds to believe may behave in a dangerous, offensive or disruptive way; or
- (7) who is not entitled to receive notice of the meeting.

The chairperson may delegate the powers conferred by this rule to any person he or she thinks fit.

- (b) A person, whether a member or not, requested by the Board or the chairperson to attend a general meeting is entitled to be present and, at the request of the chairperson, to speak at the meeting.
- (c) If the chairperson of a general meeting considers that there is not enough room for the members who wish to attend the meeting, he or she may arrange for any person whom he or she considers cannot be seated in the main meeting room to observe or attend the general meeting in a separate room. Even if the members present in the separate room are not able to participate in the conduct of the meeting, the meeting will nevertheless be treated as validly held in the main room.
- (d) The directors may determine to hold a general meeting of members using, or with the assistance of, any technology that gives the members as a whole reasonable opportunity to participate, which may include but is not limited to electronic participation facilities or linking separate meeting places together by technology.
- (e) If a general meeting is to be held in accordance with rule 8.3(d):
 - (1) the directors may prescribe regulations, rules and procedures in relation to the manner in which the meeting is to be conducted; and
 - (2) the directors may communicate such regulations, rules and procedures (or instructions on how they can be accessed) to members by notification to the Exchange.
- (f) If, before or during the meeting, any technical difficulty occurs which materially impact the participation of members who are not present in the main physical location of the meeting, the chairperson may:
 - (1) adjourn the meeting until the difficulty is remedied; or
 - (2) continue to hold the meeting in the main place (and any other place which is linked under rule 8.3(d)) and transact business, and no member may object to the meeting being held or continuing.
- (g) In no circumstances shall the inability of one or more members to access, or to continue to access, an electronic participation facility or facilities affect the validity of a meeting or any business conducted at a meeting, provided that sufficient members are able to participate in the meeting as are required to constitute a quorum.
- (h) Nothing in this rule 8.3 or in rule 8.6 is to be taken to limit the powers conferred on the chairperson by law.

8.4 Quorum at general meetings

- (a) No business may be transacted at a general meeting, except the election of a chairperson and the adjournment of the meeting, unless a quorum of members is present when the meeting proceeds to business.
- (b) A quorum is 5 or more members present at the meeting and entitled to vote on a resolution at the meeting.
- (c) If a quorum is not present within 30 minutes after the time appointed for the general meeting:
 - (1) where the meeting was called at the request of members, the meeting must be dissolved; or
 - (2) in any other case, the meeting stands adjourned to the day, time and place the directors present decide or, if they do not make a decision, to the same day in the next week at the same time and place and if a quorum is not present at the adjourned meeting within 30 minutes after the time appointed for the meeting, the meeting must be dissolved.

8.5 Chairperson of general meetings

- (a) The chairperson of the Board or, in the absence of the chairperson, the deputy chairperson of the Board is entitled, if present within 15 minutes after the time appointed for a general meeting and willing to act, to preside as chairperson at the meeting.
- (b) The directors present may choose one of their number to preside as chairperson if, at a general meeting:
 - (1) there is no chairperson or deputy chairperson of the Board;
 - (2) neither the chairperson nor the deputy chairperson of the Board is present within 15 minutes after the time appointed for the meeting; or
 - (3) neither the chairperson nor the deputy chairperson of the Board is willing to act as chairperson of the meeting.
- (c) If the directors do not choose a chairperson under rule 8.5(b), the members present must elect as chairperson of the meeting:
 - (1) another director who is present and willing to act; or
 - (2) if no other director is present and willing to act, a member who is present and willing to act.
- (d) A chairperson of a general meeting may, for any item of business or discrete part of the meeting, vacate the chair in favour of another person nominated by him or her (**Acting Chairperson**). Where an instrument of proxy appoints the chairperson as proxy for part of the proceedings for which an Acting Chairperson has been nominated, the instrument of proxy is taken to be in favour of the Acting Chairperson for the relevant part of the proceedings.
- (e) Wherever the term 'chairperson' is used in this rule 8, it is to be read as a reference to the chairperson of the general meeting, unless the context indicates otherwise.

8.6 Conduct at general meetings

- (a) Subject to the provisions of the Act, the chairperson is responsible for the general conduct of the meeting and for the procedures to be adopted at the meeting.
- (b) The chairperson may, at any time the chairperson considers it necessary or desirable for the efficient and orderly conduct of the meeting:
 - (1) impose a limit on the time that a person may speak on each motion or other item of business and terminate debate or discussion on any business, question, motion or resolution being considered by the meeting and require the business, question, motion or resolution to be put to a vote of the members present;
 - (2) adopt any procedures for casting or recording votes at the meeting whether on a show of hands or on a poll, including the appointment of scrutineers; and
 - (3) decide not to put to the meeting any resolution proposed in the notice convening the meeting (other than a resolution proposed by members in accordance with section 249N of the Act or required by the Act to be put to the meeting).
- (c) A decision by a chairperson under rules 8.6(a) or 8.6(b) is final.
- (d) Whether or not a quorum is present, the chairperson may postpone the meeting before it has started if, at the time and place appointed for the meeting, he or she considers that:
 - (1) there is not enough room for the number of members who wish to attend the meeting; or
 - (2) a postponement is necessary in light of the behaviour of persons present or for any other reason so that the business of the meeting can be properly carried out.
- (e) A postponement under rule 8.6(d) will be to another time, which may be on the same day as the meeting, and may be to another place (and the new time and place will be taken to be the time and place for the meeting as if specified in the notice that called the meeting originally).
- (f) The chairperson may at any time during the course of the meeting:
 - (1) adjourn the meeting or any business, motion, question or resolution being considered or remaining to be considered by the meeting either to a later time at the same meeting or to an adjourned meeting; and
 - (2) for the purpose of allowing any poll to be taken or determined, suspend the proceedings of the meeting for such period or periods as he or she decides without effecting an adjournment. No business may be transacted and no discussion may take place during any suspension of proceedings unless the chairperson otherwise allows.
- (g) The chairperson's rights under rules 8.6(d) and 8.6(f) are exclusive and, unless the chairperson requires otherwise, no vote may be taken or demanded by the members present concerning any postponement, adjournment or suspension of proceedings.
- (h) Only unfinished business may be transacted at a meeting resumed after an adjournment.

- (i) Where a meeting is postponed or adjourned under this rule 8.6, notice of the postponed or adjourned meeting must be given to the Exchange, but, except as provided by rule 8.6(k), need not be given to any other person.
- (j) Where a meeting is postponed or adjourned, the Board may, by notice to the Exchange, postpone, cancel or change the place of the postponed or adjourned meeting.
- (k) Where a meeting is postponed or adjourned for 30 days or more, notice of the postponed or adjourned meeting must be given as in the case of the original meeting.

8.7 Decisions at general meetings

- (a) Except where a resolution requires a special majority, questions arising at a general meeting must be decided by a majority of votes cast by the members present at the meeting. A decision made in this way is for all purposes, a decision of the members.
- (b) If the votes are equal on a proposed resolution, the chairperson of the meeting has a casting vote, in addition to any deliberative vote.
- (c) Subject to rule 8.7(d), each matter submitted to a general meeting is to be decided in the first instance on a show of hands of the members present and entitled to vote.
- (d) A matter will be decided on a poll without first being submitted to the meeting to be decided on a show of hands where:
 - (1) the matter is a resolution set out in the notice of meeting provided to members in accordance with rule 8.2; or
 - (2) any other circumstance where the chairperson determines it appropriate.
- (e) A poll may be demanded by members in accordance with the Act (and not otherwise) or by the chairperson.
- (f) A demand for a poll does not prevent a general meeting continuing to transact any business except the question on which the poll is demanded.
- (g) Unless a poll is duly demanded, a declaration by the chairperson that a resolution has on a show of hands been carried or carried unanimously, or carried by a particular majority, or lost, and an entry to that effect in the book containing the minutes of the proceedings of the company is conclusive evidence of the fact without proof of the number or proportion of the votes recorded for or against the resolution.
- (h) A poll at a general meeting must be taken in the way and at the time the chairperson directs. The result of the poll as declared by the chairperson is the resolution of the meeting at which the poll was demanded.
- (i) A poll cannot be demanded at a general meeting on the election of a chairperson.
- (j) The demand for a poll may be withdrawn with the chairperson's consent.

8.8 Direct voting

- (a) Despite anything to the contrary in this constitution, the Board may decide that, at any general meeting or class meeting, a member who is entitled to attend and vote on a resolution at that meeting is entitled to a direct vote in respect of that

resolution. A 'direct vote' includes a vote delivered to the company by post, fax or other electronic means approved by the directors.

- (b) The Board may prescribe regulations, rules and procedures in relation to direct voting, including specifying the form, method and timing of giving a direct vote at a meeting in order for the vote to be valid.

8.9 Voting rights

- (a) Subject to this constitution and the Act and to any rights or restrictions attached to any shares or class of shares, at a general meeting:
 - (1) on a show of hands, every member present has one vote; and
 - (2) on a poll, every member present has one vote for each share held as at the Record Time by the member entitling the member to vote, except for partly paid shares, each of which confers on a poll only the fraction of one vote which the amount paid (not credited) on the share bears to the total amounts paid and payable (excluding amounts credited) on the share. An amount paid in advance of a call is disregarded for this purpose.
- (b) If a person present at a general meeting represents personally or by proxy, attorney or Representative more than one member, on a show of hands the person is, subject to the Act, entitled to one vote only even though he or she represents more than one member.
- (c) A joint holder may vote at a meeting either personally or by proxy, attorney or Representative as if that person was the sole holder. If more than one joint holder tenders a vote in respect of the relevant shares, the vote of the holder named first in the register who tenders a vote, whether in person or by proxy, attorney or Representative, must be accepted to the exclusion of the votes of the other joint holders.
- (d) The parent or guardian of an infant member may vote at any general meeting on such evidence being produced of the relationship or of the appointment of the guardian as the Board may require and any vote so tendered by a parent or guardian of an infant member must be accepted to the exclusion of the vote of the infant member.
- (e) A person entitled to a share because of a Transmission Event may vote at a general meeting in respect of that share in the same way as if that person were the registered holder of the share if, at least 48 hours before the meeting (or such shorter time as the Board determines), the Board:
 - (1) admitted that person's right to vote at that meeting in respect of the share; or
 - (2) was satisfied of that person's right to be registered as the holder of, or to transfer, the share.

Any vote duly tendered by that person must be accepted and the vote of the registered holder of those shares must not be counted.
- (f) Where a member holds a share on which a call or other amount payable to the company has not been duly paid:
 - (1) that member is only entitled to be present at a general meeting and vote if that member holds, as at the Record Time, other shares on which no money is then due and payable; and

- (2) on a poll, that member is not entitled to vote in respect of that share but may vote in respect of any shares that member holds, as at the Record Time, on which no money is then due and payable.
- (g) A member is not entitled to vote on a resolution if, under the Act or the Listing Rules:
 - (1) the member must not vote or must abstain from voting on the resolution; or
 - (2) a vote on the resolution by the member must be disregarded for any purposes.

If the member or a person acting as proxy, attorney or Representative of the member does tender a vote on that resolution, their vote must not be counted.
- (h) An objection to the validity of a vote tendered at a general meeting must be:
 - (1) raised before or immediately after the result of the vote is declared; and
 - (2) referred to the chairperson, whose decision is final.
- (i) A vote tendered, but not disallowed by the chairperson under rule 8.9(h), is valid for all purposes, even if it would not otherwise have been valid.
- (j) The chairperson may decide any difficulty or dispute which arises as to the number of votes that may be cast by or on behalf of any member and the decision of the chairperson is final.

8.10 Representation at general meetings

- (a) Subject to this constitution, each member entitled to vote at a general meeting may vote:
 - (1) in person or, where a member is a body corporate, by its Representative;
 - (2) by not more than 2 proxies; or
 - (3) by not more than 2 attorneys.
- (b) A proxy, attorney or Representative may, but need not, be a member of the company.
- (c) An instrument appointing a proxy is valid if it is in accordance with the Act or in any form approved by the Board.
- (d) For the purposes of this rule 8.10, a proxy appointment received at an electronic address specified in the notice of general meeting for the receipt of proxy appointments or otherwise received by the company in accordance with the Act is taken to have been signed or executed if the appointment:
 - (1) includes or is accompanied by a personal identification code allocated by the company to the member making the appointment;
 - (2) has been authorised by the member in another manner approved by the Board and specified in or with the notice of meeting; or
 - (3) is otherwise authenticated in accordance with the Act.
- (e) A vote given in accordance with an instrument appointing a proxy or attorney is valid despite the transfer of the share in respect of which the instrument was given if the transfer is not registered by the time at which the instrument appointing the proxy or attorney is required to be received under rule 8.10(i).

- (f) Unless otherwise provided in the appointment of a proxy, attorney or Representative, an appointment will be taken to confer authority:
- (1) even though the appointment may refer to specific resolutions and may direct the proxy, attorney or Representative how to vote on those resolutions, to do any of the acts specified in rule 8.10(g); and
 - (2) even though the appointment may refer to a specific meeting to be held at a specified time or venue, where the meeting is rescheduled, adjourned or postponed to another time or changed to another venue, to attend and vote at the rescheduled, adjourned or postponed meeting or at the new venue.
- (g) The acts referred to in rule 8.10(f)(1) are:
- (1) to vote on any amendment moved to the proposed resolutions and on any motion that the proposed resolutions not be put or any similar motion;
 - (2) to vote on any motion before the general meeting, whether or not the motion is referred to in the appointment; and
 - (3) to act generally at the meeting (including to speak, demand a poll, join in demanding a poll and to move motions).
- (h) A proxy form issued by the company must allow for the insertion of the name of the person to be primarily appointed as proxy and may provide that, in circumstances and on conditions specified in the form that are not inconsistent with this constitution, the chairperson of the relevant meeting (or another person specified in the form) is appointed as proxy.
- (i) A proxy or attorney may not vote at a general meeting or adjourned or postponed meeting or on a poll unless the instrument appointing the proxy or attorney, and the authority under which the instrument is signed or a certified copy of the authority, are received by the company:
- (1) at least 48 hours, or such lesser time as specified by the Board in the notice of meeting, (or in the case of an adjournment or postponement of a meeting, any lesser time that the Board or the chairperson of the meeting decides) before the time for holding the meeting or adjourned or postponed meeting or taking the poll, as applicable; or
 - (2) where rule 8.10(j)(2) applies, such shorter period before the time for holding the meeting or adjourned or postponed meeting or taking the poll, as applicable, as the company determines in its discretion.
- A document is received by the company under this rule 8.10(i) when it is received in accordance with the Act, and to the extent permitted by the Act, if the document is produced or the transmission of the document is otherwise verified to the company in the way specified in the notice of meeting.
- (j) Where the company receives an instrument appointing a proxy or attorney in accordance with rule 8.10 and within the time period specified in rule 8.10(i)(1), the company is entitled to:
- (1) clarify with the appointing member any instruction in relation to that instrument by written or verbal communication and make any amendments to the instrument required to reflect any clarification; and
 - (2) where the company considers that the instrument has not been duly executed, return the instrument to the appointing member and request that the member duly execute the instrument and return it to the

company within the period determined by the company under rules 8.10(i)(2) and notified to the member.

- (k) The member is taken to have appointed the company as its attorney for the purpose of any amendments made to an instrument appointing a proxy in accordance with rule 8.10(j)(1). An instrument appointing a proxy or attorney which is received by the company in accordance with rule 8.10(j)(2) is taken to have been validly received by the company.
- (l) The appointment of a proxy or attorney is not revoked by the appointor attending and taking part in the general meeting, but if the appointor votes on a resolution, the proxy or attorney is not entitled to vote, and must not vote, as the appointor's proxy or attorney on the resolution.
- (m) Where a member appoints 2 proxies or attorneys to vote at the same general meeting:
 - (1) if the appointment does not specify the proportion or number of the member's votes each proxy or attorney may exercise, each proxy or attorney may exercise half the member's votes;
 - (2) on a show of hands, neither proxy or attorney may vote if more than one proxy or attorney attends; and
 - (3) on a poll, each proxy or attorney may only exercise votes in respect of those shares or voting rights the proxy or attorney represents.
- (n) Unless written notice of the matter has been received at the company's registered office (or at another place specified by the company for lodging an appointment of a proxy, attorney or Representative for the meeting) within the time period specified under rules 8.10(i) or 8.10(j) (as applicable), a vote cast by a proxy, attorney or Representative is valid even if, before the vote is cast:
 - (1) a Transmission Event occurs to the member; or
 - (2) the member revokes the appointment of the proxy, attorney or Representative or revokes the authority under which a third party appointed the proxy, attorney or Representative.
- (o) The chairperson may require a person acting as a proxy, attorney or Representative to establish to the chairperson's satisfaction that the person is the person duly appointed to act. If the person fails to satisfy the requirement, the chairperson may:
 - (1) exclude the person from attending or voting at the meeting; or
 - (2) permit the person to exercise the powers of a proxy, attorney or Representative on the condition that, if required by the company, he or she produce evidence of the appointment within the time set by the chairperson.
- (p) The chairperson may delegate his or her powers under rule 8.10(o) to any person.

9 Directors

9.1 Appointment and retirement of directors

- (1) not be less than 3; and
 - (2) not be more than 9,
- unless the company resolves otherwise at a general meeting.
- (b) The Board may appoint any eligible person to be a director, either as an addition to the existing directors or to fill a casual vacancy, but so that the total number of directors does not exceed the maximum number fixed under this constitution.
 - (c) A director appointed by the Board under rule 9.1(b), who is not a managing director, holds office until the conclusion of the next AGM following his or her appointment.
 - (d) Except for the managing director, no director may hold office without re-election beyond the third AGM following the meeting at which the director was last elected or re-elected.

As between directors who were last elected or appointed on the same day, the director to retire must be decided by lot (unless they can agree among themselves).
 - (g) A director is not required to retire and is not relieved from retiring because of a change in the number or identity of the directors after the date of the notice calling the AGM but before the meeting closes.
 - (h) The members may by resolution at a general meeting appoint an eligible person to be a director, either as an addition to the existing directors or to fill a casual vacancy, but so that the total number of directors does not exceed the maximum number fixed under this constitution.

The powers to remove a director under this rule are in addition to section 203D of the Act.

9.2 Vacating office

- (b) When calculating a non-executive director's remuneration for the purposes of rule 9.3(a), any amount paid by the company or related body corporate:
 - (1) to a superannuation, retirement or pension fund for a director is to be included;

- (f) The directors are entitled to be paid all travelling and other expenses they incur in attending to the company's affairs, including attending and returning from general meetings of the company or meetings of the Board or of committees of the Board. Such amounts will not form part of the aggregate remuneration permitted under rule 9.3(a).
- (g) Any director who performs extra services, makes any special exertions for the benefit of the company or who otherwise performs services which, in the opinion of the Board, are outside the scope of the ordinary duties of a non-executive director, may be remunerated for the services (as determined by the Board) out of the funds of the company. Any amount paid will not form part of the aggregate remuneration permitted under rule 9.3(a).
- (h) If a director is also:
- (1) an officer (other than a director); or
 - (2) an executive,

- (i) The Board may:
- (1) at any time after a director dies or ceases to hold office as a director for any other reason, pay or provide to the director or a legal personal representative, spouse, relative or dependant of the director, in addition to the remuneration of that director under rule 9.3(a), a pension or benefit for past services rendered by that director; and

Any regulations made under this constitution bind all directors.
- (b) No act, transaction, agreement, instrument, resolution or other thing is invalid or voidable only because a person fails to comply with any regulation made under rule 9.5(a).
- (c) A director, and any person related to or associated with the director or deemed by the Board to be related to or associated with the director (in this rule 9.5, an **Other Interested Party**), is not disqualified from contracting or entering into an arrangement with the company or a related body corporate as vendor, purchaser or in another capacity, merely because the director holds office as a director or because of the fiduciary obligations arising from that office.
- (d) A contract or arrangement entered into by or on behalf of the company or a related body corporate in which a director or an Other Interested Party is in any way interested is not invalid or voidable merely because the director holds office as a director or because of the fiduciary obligations arising from that office.
- (e) A director or an Other Interested Party who is interested in any arrangement involving the company or a related body corporate is not liable to account to the company or related body corporate for any profit realised under the arrangement merely because the director holds office as a director or because of the fiduciary obligations arising from that office, provided that the director complies with the disclosure requirements applicable to the director under rule 9.5(a) and under the Act regarding that interest.
- (f) A director may hold any other office or position (except auditor) in the company or any related body corporate in conjunction with his or her directorship and may be appointed to that office or position on terms (including remuneration and tenure) the Board decides.
- (g) A director may be or become a director or other officer of, or interested in, any related body corporate or any other body corporate whether promoted by or associated with the company or not, or in which the company may be interested as a vendor, and, with the consent of the Board, need not account to the company for any remuneration or other benefits the director receives as a director or officer of, or from having an interest in, that body corporate.
- (h) A director who has (or where an Other Interested Party has) an interest in a matter that is being considered at a meeting of the Board may, despite that interest, vote, be present and be counted in a quorum at the meeting, unless that is prohibited by the Act. No act, transaction, agreement, instrument, resolution or other thing is invalid or voidable only because a director fails to comply with that prohibition.

- (i) The Board may exercise the voting rights given by shares in any corporation held or owned by the company in any way the Board decides. This includes voting for any resolution appointing a director as a director or other officer of that corporation or voting for the payment of remuneration to the directors or other officers of that corporation. A director or an Other Interested Party may, if the law permits, vote for the exercise of those voting rights even though the director is, or may be about to be appointed, a director or other officer of that other corporation and, in that capacity, may be interested in the exercise of those voting rights.
- (j) A director who is (or where an Other Interested Party is) interested in any contract or arrangement may, despite that interest, participate in the execution of any document by or on behalf of the company evidencing or otherwise connected with that contract or arrangement.

11.3 Extent of indemnity

The indemnity in rule 11.2:

A reference in this constitution to a written notice includes a notice given by fax or other electronic means. A signature to a written notice need not be handwritten.

16 Stapling

16.1 Stapling

Each share which forms part of a Stapled Security is Stapled to each Attached Security to form a Stapled Security and each Stapled Security must be registered in the Stapled Security Register. The intention is that each share and each Attached Security which are Stapled together are treated as one security to the extent possible at law.

16.2 Power to Staple Securities

- (a) The Board may, subject to the Act and the Listing Rules, at any time Staple securities of any class or type to one or more shares or options (including where the share or option is already a component of a Stapled Security) and determine the Stapling Date or the date from which the relevant securities will be Stapled.
- (b) The company may Staple to a share or option (or to an existing Stapled Security):
- (1) securities of any class or type of any company or other entity;
 - (2) more than one class or type of securities; and
 - (3) a fraction of one or more than one security of a class or type, so that different numbers of different classes or types of securities may be Stapled together (in which case the relevant fraction or number will become the Corresponding Number in relation to a share).

16.3 Implementation

- (a) For the purposes of implementing a Stapling Proposal, subject to the Act and the Listing Rules, the company has the power to do all things which it reasonably considers necessary, incidental or desirable to implement the Stapling Proposal, including:
- (1) consolidating or splitting any securities;
 - (2) making a distribution or payment to a member or optionholder;
 - (3) issuing or transferring securities to a member or optionholder of the company by any means;

- (4) entering a member or optionholder as the holder of securities in the relevant register whether or not the company (or other company or entity) has received an application, transfer or other document in respect of those securities, in which case the member or optionholder (as applicable) becomes the holder of those securities with effect from the date their name is recorded in the relevant register as holder of those securities (and the member or optionholder (as applicable) hereby agrees by virtue of this provision to become the holder of such securities and be bound by their terms and by the relevant constituent documents); and
- (5) stapling options to options to subscribe for a Corresponding Number of Attached Securities,

and those powers apply notwithstanding, and are not limited by, any provision of this constitution.

- (b) The company is irrevocably appointed as the agent and attorney of each member and optionholder to execute all documents and do all things which it reasonably considers are necessary, incidental or desirable to be executed or done on behalf of the member or optionholder (as applicable) to effect a Stapling Proposal, including:
 - (1) executing applications, withdrawals, transfers and other documents, and receiving, holding and paying money;
 - (2) applying for and acquiring (whether by subscription, purchase or otherwise) securities in the name of a member or optionholder (as applicable);
 - (3) receiving and applying distributions or other payments (otherwise payable to a member or optionholder (as applicable)) to pay for the subscription for or purchase of securities;
 - (4) accepting an issue or transfer of securities; and
 - (5) taking all necessary action to compulsorily transfer all securities held by each member or optionholder (as applicable) that the Board determines is ineligible to participate in a Stapling Proposal, and in particular, to receive the Corresponding Number of Attached Securities and dealing with the proceeds in accordance with the waterfall contained in rule 19(c). For example, a member that is not resident in Australia or a person who has a Prohibited Interest may not be entitled to participate in a particular Stapling Proposal.

The company is authorised to execute these documents and do these things without needing further authority or approval from the member or optionholder (as applicable).

- (c) Subject to the Act, the company or an officer, employee or associate of the company may do the things described in rules 16.3(a) and 16.3(b) even if it has an interest in the outcome.
- (d) The company will not have any liability of any nature to members or optionholders arising, directly or indirectly, from the company doing or refraining from doing any act (including the execution of a document), pursuant to or in connection with the proper implementation of the Stapling Proposal.

16.4 Operation of Stapling provisions

Rules 16.5 to 16.9 apply only, and for so long as, shares or options are a component of Stapled Securities.

16.5 Stapled Securities Register

- (a) Details of all Stapled Securities sufficient to identify the securities which comprise the Stapled Security must be registered in the Stapled Security Register.
- (b) Subject to the Act, a joint holding statement may be issued to evidence the holding of Stapled Securities comprising shares and the Corresponding Number of Attached Securities.
- (c) The number of issued shares or options of a class which form part of Stapled Securities must equal the number of issued Attached Securities at that time divided by the Corresponding Number.
- (d) The company must not issue shares or options of a class which form part of Stapled Securities unless satisfied either that each of those shares or options will be Stapled to the Corresponding Number of each Attached Security to form a Stapled Security.
- (e) The company, directors and members must neither do any act, matter or thing or refrain from doing any act, matter or thing if to do so or refrain from doing so (as the case may be) would result directly or indirectly in any share or option of a class which forms part of a Stapled Security no longer being Stapled as a Stapled Security. In particular:
 - (1) no such shares or options (as applicable) may be issued for subscription or sale unless an offer is made at the same time and to the same person for the Corresponding Number of Attached Securities for issue or sale;
 - (2) any offers of such shares or options (as applicable) for subscription or sale must require the offeree to subscribe for or buy the Corresponding Number of each Attached Security;
 - (3) no such shares or options (as applicable) may be issued or sold to any person unless the Corresponding Number of each Attached Security is also issued or sold to the same person at the same time;
 - (4) subject to rule 2.6, no such shares or options (as applicable) may be consolidated, sub-divided, cancelled, bought-back or otherwise reorganised unless at the same time there is an appropriate consolidation, sub-division, cancellation, buy back or other reorganisation of the Corresponding Number of Attached Securities;
 - (5) no such shares or options (as applicable) may be forfeited unless the Corresponding Number of each Attached Security is also forfeited; and
 - (6) the company must not register the transmission or transfer of such shares or options (as applicable) pursuant to rule 6 unless it also causes the transmission or transfer (as the case may be) of a Corresponding Number of each Attached Security.

16.6 Unstapling

- (a) Subject to the Act, the Listing Rules and approval by special resolution of the members of the company, the Board may determine that the Stapling rules of this

constitution will cease to apply to particular securities and that a particular date is to be the Unstapling Date.

- (b) On and from the relevant Unstapling Date, the relevant shares or options ceases to be Stapled to the Corresponding Number of Attached Securities and the Board must do all things reasonably necessary to procure that each such share or option is Unstapled.
- (c) If the Board determines to Unstaple the Stapled Securities pursuant to this rule 16.6, this does not prevent the Board from (subject to the same resolutions of the members of the company and members of the Corresponding Number of Attached Securities being passed) doing the following:
 - (1) subsequently determining that the Stapling provisions should recommence; and
 - (2) Stapling an Unstapled share to securities which are not Stapled.
- (d) Notwithstanding the foregoing provisions of this rule 16.6, if at any time Notes are fully repaid, such that they are redeemed and cancelled, they shall cease to be Stapled to ordinary shares, and the date of such redemption and cancellation shall be the relevant Unstapling Date.

16.7 Transfer of Stapled Securities

Until the Unstapling Date:

- (a) a transfer of a share or option forming part of a Stapled Security will only be accepted as a proper transfer in registrable form if, in addition to the requirements of rule 6, the transfer relates to or is accompanied by a transfer of the Corresponding Number of each Attached Security from the same transferor in favour of the same transferee;
- (b) a transfer of a share or option which is not accompanied by a transfer of the Corresponding Number of each Attached Security will be taken to authorise the Board as agent for the transferor to effect a transfer of the Corresponding Number of each Attached Security to the same transferee; and
- (c) a transfer of any Attached Security to which a share or option is Stapled which is not accompanied by a transfer of the ordinary share will be taken to authorise the Board as agent for the transferor to effect a transfer of the relevant share or option and any other Attached Securities to which the relevant share or option is Stapled to the same transferee.

16.8 Stapled Security Register

The Board must cause to be kept and maintained a Stapled Security Register which:

- (a) may incorporate or form part of the register; and
- (b) records the names of the relevant members or optionholders, the number of shares or options held, the Corresponding Number of Attached Securities held by the members or optionholders to which each their shares or options (as applicable) are Stapled and any additional information required by the Act or the Listing Rules or determined from time to time by the Board.

16.9 Paramountcy

- (a) Subject only to the Act and the Listing Rules, this rule 16 has effect notwithstanding any other provision of this constitution and any provision of this constitution which is inconsistent with this rule 16 does not operate to the extent of any inconsistency.
- (b) If there is an inconsistency between any provision of this constitution relating to Stapling (including this rule 16) and any other provision, then the provision relating to Stapling prevails to the extent of the inconsistency, except where this would result in a breach of the Listing Rules, the ASX Settlement Operating Rules, the Act or any other law. The provisions relating to Stapling prevail in this way, even if the other provisions are expressed to apply notwithstanding any other provisions in this Constitution.

17 General

17.1 Submission to jurisdiction

Each member submits to the non-exclusive jurisdiction of the Supreme Court of the state or territory in which the company is taken to be registered for the purposes of the Act, the Federal Court of Australia and the courts which may hear appeals from those courts.

17.2 Prohibition and enforceability

- (a) Any provision of, or the application of any provision of, this constitution which is prohibited in any place is, in that place, ineffective only to the extent of that prohibition.
- (b) Any provision of, or the application of any provision of, this constitution which is void, illegal or unenforceable in any place does not affect the validity, legality or enforceability of that provision in any other place or of the remaining provisions in that or any other place.

18 Power of the directors to require information

- (a) A director or secretary may (acting themselves or through a person authorised by the Board for this purpose), by notice in writing, require information from any member for the purpose of determining whether that person or any other person has, or is taking action to acquire or assist in acquiring, a Prohibited Interest.
- (b) A notice under rule 18(a) must:
 - (1) be signed by a director or secretary or other authorised person;
 - (2) outline the information required to be provided to the company (which may be determined by the directors from time to time);
 - (3) state that the information required by the notice must be provided within 7 days of the date of the notice; and
 - (4) specify whether the person on whom the notice is served is required to verify the information by statutory declaration.

- (c) The directors (acting themselves or through a person authorised by the Board for this purpose) must give a notice under rule 18(a) to a person whom they have reasonable grounds to believe has, or is taking action to acquire or assist in acquiring, a Prohibited Interest.

19 Enforcement of prohibition on Prohibited Interests

- (a) The directors may (acting themselves or through a person authorised by the Board for this purpose), by resolution, suspend any voting rights (including the rights of a member under this constitution to vote at any general meeting of members) and rights to receive or participate in any dividend or other distribution to or entitlement of members (including a bonus issue or other pro rata offer) attaching to a share (or in the case where shares are Stapled to Attached Securities, any Attached Security) held by a Defaulting Shareholder as the directors may determine.
- (b) A director or secretary may (acting themselves or through a person authorised by the Board for this purpose), by notice in writing to a Defaulting Shareholder, require the Defaulting Shareholder to dispose of any shares (and any Corresponding Number of Attached Securities to which they are Stapled) held by the Defaulting Shareholder as are specified in the notice to a person other than a person who would be a Defaulting Shareholder as a consequence of that transfer within such period as is specified in the notice. While the company is listed, the period specified in the notice must be a period of at least 28 days or such lesser period as the Exchange may agree to in writing. If the shares specified in the notice (and any Corresponding Number of Attached Securities to which they are Stapled) are not disposed of by the Defaulting Shareholder within the period specified in that notice, any director or secretary may (acting themselves or through a person authorised by the Board for this purpose) execute all such documents and instruments of transfer and do all such things as may be necessary to sell and transfer any shares (and any Corresponding Number of Attached Securities to which they are Stapled) held by the Defaulting Shareholder to such person or persons as the director or secretary may (acting themselves or through a person authorised by the Board for this purpose) determine.
- (c) The proceeds of any sale made under rule 19(b) must be applied in the following order:
- (1) in payment of the costs of the sale;
 - (2) in payment of any amount unpaid on the share or Attached Security (as applicable) under rules 2.3 or 4; and
 - (3) in payment of any surplus to the former member whose shares (and any Attached Securities to which they are Stapled) were sold.
- (d) The company, the directors (or any of them) or a secretary or any other authorised person will not be liable for anything done in good faith in the exercise or purported exercise of a power under the preceding provisions of rule 18 or this rule 19.
- (e) The number of shares (and any Corresponding Number of Attached Securities to which they are Stapled) in respect of which rights are suspended pursuant to rule 19(a) and the number of shares specified in a notice given pursuant to 19(b) must not exceed that number which in the reasonable opinion of the directors (or a person authorised by the Board for this purpose), if disposed of in accordance with rule 19(b) together with the Corresponding Number of Attached Securities to which

they are Stapled, would result in that Defaulting Shareholder no longer being a Defaulting Shareholder.

- (f) Despite any other rule in this constitution, rule 18 and rule 19 will cease to have any effect if the provisions in the Leases placing restrictions on Change Transactions (as that term is defined in Schedule 1 to this constitution) are removed or otherwise cease to have effect.
